

Stylus Adapter Kit for PHANTOM[®] Desktop[™] Haptic Device

The stylus adapter kit for the PHANTOM Desktop haptic device provides a reliable and convenient way to attach a variety of devices to the standard PHANTOM Desktop stylus.

IDEAL FOR A BROAD RANGE OF APPLICATIONS

The stylus adapter kit can be used to add devices for medical applications such as laparoscopy instruments, dental tools, and a variety of other types of tools to the PHANTOM Desktop stylus.

EASY TO USE

Simply remove the distal cap of the PHANTOM Desktop stylus, attach the replacement stylus-cap, coupling adapter, and appropriate size coupling, and attach your device. It is also possible for you to use your own adapter with the following thread specification: M6.0 x 1.0 mm PITCH.

AFFORDABLE

The stylus adapter kit for the PHANTOM Desktop device is priced at MSRP U.S. \$700. This price may vary worldwide based on value-added services and support, importation, duties, taxes, shipping, etc. To purchase the stylus adapter kit for the PHANTOM Desktop device, contact info@sensable.com or +1-781-937-8315 or contact an authorized SensAble[™] Haptic Devices and Toolkits Reseller.

STYLUS ADAPTER KIT COMPONENTS

The kit includes one replacement stylus-cap, one coupling adapter, three couplings of different sizes (3/16", 1/4", 3/8"), and installation instructions.
